To the Family:Take comfort in knowing what God will do in the future for mankind."With that I heard a loud voice from the throne say:Look!The tent of God is with mankind,and he will reside with them,and they will be his people.And God himself will be with them.And he will wipe out every tear from their eyes,and death will be no more,neither will mourning nor outcry nor pain be anymore.The former things have passed away."(Rev.21:3,4)God is going to do away with death forever.Please accept my condolences.

Terry and I were the last two players selected for the Austell Little League team in 1952. We were the only 10 year old players selected - the rest were 11 and 12. In recent years we often met at Wallace BBQ. And of course he would be the one to call around and let us know who among our acquaintances might have died. Our thoughts and prayers are with Billy and the rest of the family. Bill & Faye O'Callaghan

I met Terry in high school and always considered him as a good friend, always full of fun and the joy of life. He was proud of his service in Viet Nam and was eager to talk with his fellow vets at our reunion last August. I'm glad he was able to be in great spirits for the party. Rest in peace, Terry.

He loved to rock in a rocking chair, sometimes I thought he would rock the rockers right off but it was his way of calming down when he was upset. He would come up the hill to our house and my mother would just say "TERRY", just go sit down in the rocker til you feel better." He would rock for an hour and then get up and leave. Mother always knew what to say to him, but the amazing thing was that he listened to her,
