## **Ellen Dukes**

MAR 20, 2014

**A**nyone who has ever had the privilege to cross paths with Ellen Dukes will tell you that she was an amazing person with the most beautiful heart. She made it her life's purpose to help others and she continued to do so with no complaints even if she didn't have the means to do so. To her three children she was a loving mother, to her husband she was a dedicated wife, to her siblings she was that shoulder they could lean on and to her friends she provided them with emotional support.

In addition to the support she gave to those around her, she was also a devout Christian and spent most of her days learning about and serving the creator. She also had respect for all forms of life and refused to kill even the smallest insect. During the last five years of her life, her daily routine included feeding birds, squirrels and she even fed a small family of stray cats.

Ellen Dukes was a very compassionate woman who truly understood the message of love and forgiveness and often encouraged others to do so. She will truly be missed by friends and family. In honor of Ellen's wishes, we decided not to have a formal service but if anyone would like to send flowers or visit the grave it is located at Knollwood Cemetary 1678 SOM Center Rd., Mayfield Heights, OH 44124 (Lot 609A).

Mama Dukes will truly be missed. The family is in my thoughts and prayers. I will NEVER forget in high school coming over to spend the night. The one thing your mom ALWAYS had in hand was her Bible!! She made sure she carried the word and she spread the word every chance she could. I loved our Bible study sessions when I would come over. She will be missed. But now the Lord needs her to continue his good work.
