Pam was my first cousin and a little older than me.... We were close when we were little...Up until we were about 14 and we had some great times... We fussed as cousins do but we always made up... What I loved about Pam was her laugh!!! I will never forget that...She grew up to be an amazing Mother and Wife... I know I did not see her that often but I will miss her deeply...May we all find comfort in knowing that we will see her on the other side...RIP Pamela!!!
