Randy, It has been so hard without you. We were supposed to grow old together. I haven't been able to consider writing my feelings down here but this is the closest I can get to you right now. Lamar is right. A lot has changed but a few things haven't. I love you, Sweetheart! I miss you terribly!!!!!! More than words could ever say. I promise you will never be forgotten and will be forever missed!! I trust that you are there with all of your family members that went before you and just in case we don't have a direct communication, I have asked God to let you know how much I LOVE YOU!!!

I miss you so much dad. So much has changed in the past few years and some of it is very hard to take. I wish you were here so I could just talk to my best friend. It's been 3 years now and it just doesn't get better. But until we see each other again, I love you and miss you!!!!

Randy: What little time we spent together was alot of fun and one hell of an experience, its like when you were around you never knew what to expect, all of the little pranks you and I played on Pete when we went fishing will be missed.the time when Pete was retying on a hook, he wasn't paying attention to his other rod, you yelled Pete Pete get it get it. I thought Pete was going to fall off the boat trying to get to that rod. We laughed so hard I cryed. Dude you will be miss.KEVIN
