**Gloria Musyoki** sent a virtual gift in honor of Fred .

As an uncle and childhood hero, Fred was the best. I remember him as a knight in shining armor and a swimming fiend. His only failure in teaching people to swim was his big sister, Jaunell. He was often in our home in Atlanta after he returned from Korea. He was our babysitter and joy. Many years later, he challenged my husband to a race--if he could drive his car against Michael's running. After Michael retired from racing, Fred told me he had won a lot of money betting on him. I will always love and cherish him. Gloria Hicks Musyoki
