My Dear Friend, What can I say? I have known you my entire life.. I'm in disbelief that you're gone from this world. We met so many, many years ago. Through life's journeys we lost touch, but always seemed to be able to find each other again. A friendship that even when we didn't speak for long periods of time, could start right back where we left it. We talked for hours about our lives, our children, old friends, and new ones, we'd laugh and talk about fishin'- I always accused you of tellin' the "big One" that got away... What I'll remember most is out discussions about all of our church family, and God.. We cried over loved ones gone way to soon. Now, you're one that's gone way, way to soon.. I'll miss picking up the phone and hearing your voice say:"Hey girl!" The struggles of this life are over... May you be resting in the arms of the Lord. You will be forever missed.

I am so sorry for your loss. I cannot imagine how difficult this time is for you, but It is clear that you miss your dad very much. Though there aren't any words to take your pain away, may you find comfort in the promise soon to be fulfilled at Revelation 21: 4: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."
