I met Bill through his brother Ed at Björklunden in Door County Wisconsin in 2011. We enjoyed having him in our photography seminar so much and I was amazed at his hidden talent in photography! I called him the Ansel Adams of our class! We are very sad to hear of his passing but so glad we got to know him and enjoy him and share in special memories together. Love, Karen Fields, Phil Krejcarek, and the 2011 Björklunden Photo class

What a gentle spirit and a contagious smile. Bill set such wonderful example for so many. When I think of Micah 6:8 "He hath shown thee, O man, what is good: and what doth the Lord require of thee but to do justly and to love mercy, and to walk humbly with thy God?" I will remember Bill's example. Warren Turner

Jeanne and family, I just watched Bill's video. I laughed (he was such a goof sometimes) and I cried (selfish tears for the dear friend I will miss), but his was truly a life well lived. So glad I was there to share some of it. With my sincere sympathy, Susan Panvini
