Love My Neighbor posted:

Mr. Wellham was a great father, friend, and relatives to those who know who he really was. Mr. Wellham will be missed by all family and friends, but most of all he will be remembered by God, for his generous spirit and kind heart. The way he treated his wife and children will be a memory always to keep close in mind. This thought from the bible gives me great comfort in my time of need. " for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life." Please keep in mind the glorious hope of true freedom, when no man will say I am sick.
