I can't express how grateful I am to have known Mama Gilham. She was truly a mama to all whom she met. She and Daddy Gilham instantly made you a part of the family from your first encounter. She would wrap you up with a loving hug as if you've known her your whole life. She nurtured all of her beautiful children and grandchildren. All of whom have grown up to be God-loving and family-focused because of Mama and Daddy Gilham's example. I truly loved her and will always love the Gilham family. My prayers are with you all. -With Love, Laura Chapman
