I just learned of Connie's passing and am so very sorry to hear this. She and I have communicated via facebook for the past several years. I didn't realize that she had been sick and am so very shocked and saddened to learn that she has gone to be with Jesus. I noticed that she is being put to rest where my immediate family is resting and perhaps I can go see her grave in the future. Please know I am praying for her mother and all of the family. God bless you all.

I worked with Connie several years ago. Connie was always taking care of others and was always so giving of herself. What a wonderful person she was. I bet she is the prettiest red headed angel in heaven. Fly high my friend.
