Though I cannot say that I knew Ms. Lucy, I send prayers of comfort for family. I am one of the seven children born to Robert and Jewel Holcombe. My dad was a brother of Luther Holcombe, so I am related as a second or third cousin. My parents are now 89 and 94 years old and have trouble getting about, so they will not be at the funeral. They do not have a computer, so I send prayers on their behalf. I live in Texas and also will not be at the funeral. However, if any family would like to make contact, you can find me on Facebook. I would love to keep in touch with my extended family. May God bring precious memories to mind for your comfort.
