I am so sorry for your loss, please accept our sincere condolences to you and your family. I have passed the information on to others in reference to the arrangements. At this time, I'm not sure if I will be able to make it to the service on Friday, but I will have him in my thoughts and prayers as I have since I met him. It is my prayer that the Lord provide you and your family with as much comfort, love and peace that is needed in this grievance season. Please let me know if there is anything I can do for you and the family. Barbara Braswell, Staff member @Vero Health & Rehab of Wadley

Darrell, Robert and I grown up together as our mothers were best friends for life. So I have many memories of my "brother". I remember as a teenager, Darrell won a trip to Africa. That was a life changing event for him. He was so honored. His commitment to help the unfortunate be all that God called them to be, will keep Darrell's memory alive. In sisterly love, Paula

I have many fond memories of my nephew, Darrell. I remember when Darrell was born. Such a beautiful baby. His mother asked me did I want to have input in naming this beautiful child. I told her I liked the name, Darrell from one of favorite soap operas. I will miss "I love you auntie" each time he called me. Darrell will always have a special place in our hearts. God knew he was tired of suffering. Rest in peace, Darrell. I will always remember you. Aunt Jessie
