We are so sorry to hear about Cecil. He meant a lot to us and we have great memories from him being our Sunday School teacher and part of our lives at church. I will always cherish the beautiful painting that he did for our 50th Wedding Anniversary. Mary, I have tried to contact you several times and never could reach you. You always kept in touch with us concerning our friends when anything happened. It has been a long time since I have heard from you. I hope and want you to know that you and Cecil meant a lot to us and we love and appreciate you both very much. I pray God will keep you and his family close to him in the sad days ahead. May he comfort you as his word promises us. Please know we are here if there is anything we can do for you. You are in our prayers and thoughts. I would love to hear from you. God bless you and keep you in his love and care and give you strength in the loss of Cecil. Love and prayers, JoAnn and Howard Norfolk
