Jackie was one wonderful woman. Everyone that come in contact with her loved her. She was a GREAT Mother-n-Law. She was a GREAT Grandmother to my 2 children. John D. Brookshire III & Elizabeth Lee Brookshire. She always helped everyone she could. She was a hard working lady. We had some great times together. She will be missed. Please pray for the family.

This is and was the best granny a girl could ever have... She done so many things in life and has taken care of so many people in her life... Granny please give my daddy a kiss for me and tell my daddy and my aunt Debbie that I love them and I'll see y'all again one day... Granny I love you so much and I have missed you for many many years and I have looked for you for a long time.... I cried many night wondering where you were and none would ever tell me... I know now that you are safe in gods hands.... I love you granny...
