When I was a young feral child from a home broken from divorce, I had a lot of social and behavior problems. Marcia took me into her home and showed me unconditional love, which I had never had before that time. My problems at that time ended up being more than Marcia and husband Paul could help me with. Now that I am older and wiser I wish I could at the very least go back in time thank Marcia for being so kind and loving me at a time I was incapable of loving myself. Marcia was one of the kindest people with a heart of gold who went out of her way to help so many people. Marcia left a lasting impression on me even though I lost touch with the Holder family after I moved away. I know she is in heaven but my heart goes out to the family she left behind I know they miss her very much.

There is a candle in every soul Some brightly burning, some dark and cold
There is a Spirit who brings fire Ignites a candle and makes His home
Carry your candle, run to the darkness Seek out the hopeless, confused and torn
Hold out your candle for all to see it Take your candle, and go light your world
Take your candle, and go light your world Frustrated brother, see how he's tried to
Light his own candle some other way See now your sister, she's been robbed and
lied to Still holds a candle without a flame Carry your candle, run to the darkness
Seek out the lonely, the tired and worn Hold out your candle for all to see it
Take your candle, and go light your world Take your candle, and go light your world
We are a family whose hearts are blazing So let's raise our candles and light up the sky
Praying to our Father, in the name of Jesus Make us a beacon in darkest times
Carry your candle, run to the darkness Seek out the helpless, deceived and poor
Hold out your candle for all to see it Take your candle, and go light your world
Carry your candle, run to the darkness Seek out the hopeless, confused and torn
Hold out your candle for all to see it Take your candle, and go light your world
Take your candle, and go light your world

Marcia was a beautiful person and a great friend. She is one of the unsung heroes of the Faith. She lived her faith every day, quietly and with little fanfare. She was a friend to anyone in need, especially those "down-and-out" who needed a hand up. Jesus called them the "little ones", and Marcia loved them all. Her reward will be great for she loved much, and gave more. I'm sad for the family, but happy for Marcia because she is out of all pain and suffering and certainly heard the words, "enter into the joys of the Lord," for she was faithful. Love, Hallie & Jay Newton
