Dear Jean and family, Jimmy and I want to let you know that you are in our prayers during these difficult days. Our Alison tells us you have traveled this road once before and once again the Lord will help you get through and he has given you a loving family to help. Last year our brother-in-law and my father went home to be with the Lord and this first year we have tried so hard to be sure Mother and Pansy know how much we love them and continually try to give them the comfort and support they need. I know your family will do the same. Michael and Alison Lewis are our children and I know they love you very much. I know we have met several times even though you may not remember us. God be with you in the days to come. Jimmy and Susan Lewis ##imported-begin## Jimmy and Susan Lewis ##imported-end##
