Just thinking of you Phyllis, I would have loved to be able to talk to you today. You blasted into my thoughts as I was thinking about making a trip up north. 10 Years later and I still miss you. ~Sharon~

I was Christy's cosmetology teacher at Sprayberry High School when she was killed. Phyllis and I kept in contact for a while after that horrible day. I am praying for your family, knowing that Christy now has her mom in heaven with her. Words can't lift your pain or suffering right now, but please know God is with each and everyone of you.Debbie##imported-begin##Debbie Fowler##imported-end##
