Our prayers go out to all the family tonight and during the following days. Our friendship goes back to West Fulton High in the 1940's. And tho we did not often see each other in recent days, we were still 'kids' when we did see each other. God Bless and strengthen each of you.##imported-begin##James and Edna Baker##imported-end##

To Emory's Family, you don't know me but I knew Emory & Miriam thru the phone company many years ago. I still have the pound cake recipe, I ate at their house. Emory was the only person ever to call me Libby. He was a fine person. My thoughts and prayers are with you.##imported-begin##Elizabeth Christian Banks##imported-end##
