I am so sorry to hear about Trisha. I did not know she had passed until yesterday. I am saddened and shocked. She called me back in October and left me the sweetest voicemail. I tried to call her back and never got an answer. She always made me laugh and we had alot of fun together over the past 20 years that I knew her. I am sorry that I did not know of her passing. I am sorry for your loss. May God Bless her family.##imported-begin##Rhonda Kilgore Kastl##imported-end##

I'm so sorry for your loss of Patricia. So much of my growing up years in Lithia included her since we were neighbors. Spending the night with each other, walking to Davenport's Grocery Store and playing in mother's beauty shop. Those were such fun and happy memories.
