I worked with Ted at Kraft Foods. Although I have not seen him in years, I remember him as a good man, steady in character and a pleasure to be around. Seeing the pictures of him that you posted brought back good memories. I know he will be missed. Our thoughts and prayers are with the family. "I was that which others did not want to be. I went where others feared to go, and did what others failed to do. I asked nothing from those who gave nothing, and reluctantly accepted the thought of eternal loneliness...should I fail. I have seen the face of terror; felt the stinging cold of fear; and enjoyed the sweet taste of a moment's love. I have cried, pained, and hoped...but most of all, I have lived times others would say were best forgotten. At least someday I will be able to say that I was proud of what I was...a soldier." God Bless you all, Ken & Kathy White##imported-begin##Kenneth White##imported-end##
