Sammy Stucki and Family, Sammy, Marcie and I are sorry to hear of your loss. Eric called me and let me know that your mother had passed. Unfortunately, we didn't have the pleasure of meeting your Mother, but Eric always had nice things to say about her. It doesn't surprise me as I know how you are and how you treat friends, "the apple doesn't fall too far from the tree". Sammy, I know there is not much that we can say or do to ease your pain, but please know that we are thinking of you and your family and you are in our prayers. Take care my friend. Ronald, I am so profoundly sorry for your loss. Norma was one of the sweetest persons I had ever been privileged to know! When Sam introduced me to you both, Years ago in Orlando at the Farm. I really felt like an adopted son! Always welcomed with an open heart Norma was fun to talk with and she always took interest in my endeavors. With Lisa and and my sons visiting at the house in Ft. Myers over the summer made me happy for her to have the chance to see them finally after all these years. I know Norma took great joy in seeing them with you. She again showed her genuine open kindness when she had slipped the boys a few dollars at the end of the visit.. I will never forget her giving and open love for the boys as if they too were her own grandchildren!! I know things will be very difficult for a long while and I just want you to know that my life has been indelibly touched by Her Presence and I will never forget Norma! My thoughts, prayers and Heart goes out to you, Sam, Johnathan and the whole Stucki Extended Family at your time of grief! My Deepest Sympathy, Eric & Lisa Peterson & Family###imported-begin###Eric & Lisa Peterson###imported-end##

Dear Ronnie--I have only been to two of our reunions and I'm unsure if I met Norma, but I know she must have been very special for you to have shared your love and your life with her for forty-six years. I do know how hard it is to lose the one with whom you have spent your life and dreams and I hope that your memories and faith will help you find your way through the darkness. Thank you for your kindness and support of our class.###imported-begin###Jerry Lou Noles Ward###imported-end##
