The mold was broken when you were brought to this earth, Madeline. How do I thank you for all the unconditional love and acceptance throughout these many years. I can never thank you enough for giving Eric a real family and home that made him the Prince and provided a rich environment for his learning and maturing. I know I said the words but somehow they are never enough and yet, always just enough. I love you and thank you and your family for including me and Eric. My heart is full in the midst of the loss and memories. Sylvia Sultenfuss##imported-begin##Sylvia Sultenfuss##imported-end##
