Algia, I hardly have adequate words to express my empathy for you and family. You set an exemplary standard that demonstrated love, devotion, creativity and patience in caring for a sick loved one. In time you will be happy again; although it may be difficult to believe it now. You are a woman of strong faith. Draw on that faith as often as you can and God's spirit will surround you. I love you, Algia.##imported-begin##Esther Onaro##imported-end##
