Billy:I am sad you went away. But I know I'll see you again someday. You were my life for 35 years. We shared much joy and many tears. You taught me love I had never known, Christ's love for my own. Sometimes I didn't understand but God knew where we would land. God kept us together for what he had planned. You were a unique person and I loved you so. God has you now-no more mental, emotional or physical pain. Only beautiful music from the angels to gain. I know you are sitting in the middle of their song. Praising God and rejoicing that you finally belong. Your struggles were many and you couldn't let go. But now you are free and rightly so. Set free in Christ Jesus: June 28, 2010 at 12:58 a.m. I really do miss you.###imported-begin###Patricia Powell###imported-end###

The Choice
When darkness falls
Closing in is the walls
So finish your last day
Let nothing get in the way
For GOD is giving your last call once and for all
So listen to what I say
It's ok to go down
That railway if it's time for you to lay
Bit if darkness riseses, please wake up and surprise us
For GOD has given You another way
Another chance to Live another day
So we can hear What you have to say.
So please Uncle Billy
Make the Coice to STAY or TAKE your Spirit away.
Love always, De###imported-begin###patricia powell/wife###imported-end###
