Thomas, I was saddened to read of your mother's death. Even though I only knew her for a short time, I appreciated her independence, positive attitude, and smile. I know she'll be missed by her family and loved ones. May God give you peace during these difficult times.##imported-begin##Elaine Wade Brock##imported-end##

We simply loved this woman and she blessed the hearts of many at Clarkdale First Baptist. A week or so ago, during choir practice, we were challenged by the director to send a card to someone in the church just to let them know we were thinking of them. The first person that came to my mind was Miss Mildred, and I don't know why. God works in mysterious ways. I think she got that card the day before she died. You have her now God and I trust in You! Goodbye Mildred!##imported-begin##Sidney Saxon##imported-end##
