Through the years we have had many pastors. In our opinion, Brother Summerall was the epitome of what God intended a pastor to be - Always loving, a man of wisdom and integrity, a wonderful sense of humor, and a compelling desire to be God's hand extended. What a legacy to you Clifton, Jane, and Peggy. We loved this man!###imported-begin###Ray and Helen Minter###imported-end###

Remembering the good times Peggy and I had when I was a teenager growing up. Brother and Sister Summerall was always sweet enough to put up with me because Peggy was like the sister I never had. Brother Summerall was always a mild mannered man of God. He was so good to my grandmother, Sister Spivey. He was such a good friend and buddy to my Dad, Brother Horton. My Dad probably welcomed Brother Summerall. I can imagine they are really having a ball up in heaven. I will never forget a message Brother Summerall preached and it must have really stuck with me, "What does the Lord require of thee?" I am a better person for having the honor of knowing dear Bro. Summerall. May God Bless the Summerall family during this time until we are all united again. Love to all.###imported-begin###susan white###imported-end###

Uncle Clifton has been like a second father to me most of my adult life. His has guided me through many storms in my life and always made me feel there was sunlight ahead. I could always count on him to pray for our family during any time of need. I always said he had God's cell number and could get through right away. When God made Clifton Summerall he made a very special man that has helped so many through good times and bad. I will always have so many great memories of all your family and be thankful to have had you as my family.
