My family continues to keep you in our hearts and in our prayers. Mrs. Hindsman must have been a lovely woman. She certainly raised our friend & neighbor Cheri to be someone we feel blessed to be in our lives. Because she was so loved, may your tears pass into music and laughter.

Dear Kim and family, I have been with you all on this journey through Vicki's life and have loved her every since I was born. She was always there to meet me with a smile, even under the hardest circumstances. She offered love,caring and happiness to my life. Part of me hates to let go of her but another part knows she is out of pain, suffering no more. She is in the arms of our precious Saviour and Lord. May he wrap His loving arms around you all during this time of grief. The rainbow you saw was truly your mom, sister, daughter, wife, grandmother, aunt, and our cousin telling us, I'm finally home. I'm new again. I love you all and will be here waiting for all of you. If one of you need me for anything, I will be here for you night or day. Call me if you need too just talk.Love,Susan Adams Anderson770-489-8475cell#404-786-9225##imported-begin##Susan Adams Anderson##imported-end##
