I know you're in heaven now, and that gives me peace. I will miss hearing your laugh and seeing your smile. You were the best uncle a niece could ever ask for, and I will always remember the time and love you gave me. I have never forgotten that and I cherish every moment. You are very special to me and I am proud to say that you are my uncle. I thank God for giving me you. I love you and will miss you dearly. Knowing that I will see you again one sweet day in heaven helps to ease the pain a little, but not much. I love you with all my heart Uncle Charles.##imported-begin##Brandi Walton##imported-end##
