To this day, I still call her "Big Michelle". My sisters and I grew up with Michelle, Ricky, and Faith. Our parents still live next to one another. One of my sisters was "Little Mechelle". I still remember sitting in my parents house years ago over a holiday break and listening to Michelle talk about meeting Scott on an airplane. Michelle always held true to her values. I believe she was the woman God wanted us all to be. You will be sadly missed.###imported-begin##Susan Lafon Ore###imported-end##

Michelle was known to us as "Big Michelle" when I was a kid (because I had a sister named Mechelle:) who was younger. Our parents have been next door neighbors for almost 40 years and we all kind of grew up around each other. I can still remember how dedicated she was to her faith even as a teenager. She had such a beautiful family; and I am glad to have met them while back in Lynchburg for the holidays two years ago. She was an energetic, caring person who I know will be missed tremendously by her loved ones.###imported-begin##Bethany Lafon Dancey###imported-end##
