I just want to send my condolences to the family of this wonderful woman. Mrs. Laster has always been very special to me since I met her. We've always had a hard time getting through with a very simple office visit, cause we would talk about everything, and share pictures. She was AMAZING, and will be missed.##imported-begin##Denise Davidson, RN (The Heart Clinic)##imported-end##

Mother, There are no words to describe how much I love you and how I miss you already. I know that you loved me and I tried to show you that I loved you; however there will never be enough time to show you or put in words how I feel about you. You were a good Mother to me and I am so proud to say that you were a Christian Mother. You & Daddy always took me to Church and showed me the way of the Lord so that I would accept him as my Savior and join you in Heaven some day. Now, that day is more sweeter to me and means so much more. I do wish I could bring back the days I should have called you just to say hello or to see if you were having a good day. Now, I can't do that and I wouldn't bring you back to this sorrow & pain. I thank you for all the time you spent taking me to Ponders Baptist Church, Rainbow Girl meetings, Grand Assembly, and just being my Mom. Also the memories we made going to Dr Appts and other times will be with me forever. It all mean so much more to me now. I know you are up there with Pepaw, Memaw, Uncle Albert, Aunt Inez & Uncle Frank, as well as our other family that has gone before you. I hope I am half the Mother you were to me and show my Missy & Marci the love and compassion like you had. I know you are in Heaven in the sweet Loving Arms of Jesus and I will see you again. FOREVER I WILL LOVE YOU MOTHER!##imported-begin##Cheryl##imported-end##

Dear Mrs Polly and Family, Your voice here on earth will be sooo missed. I can hear you now singing "O Beautiful Star of Bethlehem" and "I am Blessed". Even on days when you didnt feel well and your voice was weak you still lead with the Holy Spirit on your heart. I know you are singing with the Angels in Heaven for our Lord and you have the best view of that Beautiful Star of Bethlehem. Rest In Peace Mrs Polly till we meet again. Polly was my dear friend. We worked together for the county, and after that, kept in touch over the years. We had the kind of friendship that made it easy to stay connected, no matter how much time went by between actually seeing, or hearing, from each other. I will miss her so much, and the lovely cards she used to send me on my birthday about friendship. To all of Polly's family, I send my deepest sympathy, and love to all of you. Ohhh my Aunt Moggie, how I loved you. You will be dearly and fondly remembered by ALL of us. You brought such joy into our lives. What a blessing you have been in my life as a child and an adult. Just to watch how you've nurtured and loved your children and grandchildren has been one of my special memories. Plus putting up with a Laster for 65 years I'm certain gets you a special jewel in your crown! I love you and I love Uncle Johnny. You both have meant so much to me! From your favorite neicey...Lisa PS: Tell Momma and Daddy that I miss them. And give Jesus a BIG hug from me as well. I cannot imagine!!!
