Aunt Gert, I couldn't make your funeral today and honestly, you were in my heart just knew, how hard it would be after so long. Just I know, your journey into heaven was amazing and you know how much I love you and always have. You gave us so many happy memories and I wish all blessings to you in heaven. Please hug my daddy for me and tell him I love him and I love you too. !! Please understand wasn't physically able to go to the funeral, but said many prayers. I'll always love you.##imported-begin##Anita Ingram (Waldrop)##imported-end##

Sitting here reliving all the fun times, with Theresa, singing, Taylor acting so funny, Larry being the quiet one and Diane trying to keep them straight. :). I love all of you so much and so sorry, life has been hard for me, so didn't keep in touch but please know, I never forgot all the fun we had growing up together. I do love you all and feel your pain. I will try to go to the funeral on Tuesday; if I can't make it, please email me - I miss all of you so much. Love and hugs and know Aunt Gert is having a wonderful reunion now. :).##imported-begin##Anita Ingram##imported-end##
