Jim and I worked many years together. He had a wonderful sense of humor and a quick wit. Great practical jokes that took the work out of work. I think of him often; he will always have a special place in my heart. Vicky H. Gasaway

I worked at Bellsouth with Jim back in the 80's & 90's and I remember he always had a smile on his face and a laugh in his heart. He seemed to be happy all the time. I was looking through my photo album and found many photo's of him (always smiling of course). So sorry to hear of his passing. My thought's and Prayers are with his family and friends at this sad and very difficult time.

Just heard this sad news. Enjoyed renewing our old friendship a few years ago over real estate dealings and enjoyed many long phone calls just yapping. Great guy! RIP##imported-begin##Hal Medlin##imported-end##

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.##imported-begin##Earl & Beverly Power##imported-end##

I was so shocked to see a note on Facebook that Jimmy had passed away. I went to South Cobb with Jimmy and he rode my bus. I always liked him he had such a good sense of humor and was always smiling. He used to stop by our Welding Shop in Mableton on Bankhead Hwy. across from Walgreens to see my Husband, Paul. They shared a lot of laughs and Paul loved to aggravate him, he was a good sport. Jimmy will surely be missed. May God bless your Family and give you comfort. Rest in peace my old friend.Carol (Johnson) Wilson##imported-begin##Carol Johnson Wilson##imported-end##

I met Jimmy years ago and we became friends. He went to school with my wife, Carol Johnson, at South Cobb. Jimmy would stop by my welding shop and visit and tell me about his health. I would always try to make him laugh. I talked with him just a few week ago. So sorry to hear that he passed. No more coughing for him. Rest in peace, my friend.##imported-begin##Paul Wilson##imported-end##
