Dear, dear family, my heart was broken when I heard that your beautiful mom had left us. But, knowing that she's no longer bound in a body of pain helps to accept that this is God's way of taking her home to be with the ones that she has longed to see. Words will not help ease your feeling of sadness or the emptyness that you feel, it's just our way of trying to help. May God help your entire family thru this time of grief.
