My Precious Cousin , It's so hard to say goodbye, Its just so difficult to explain, all the sorrow all the pain, your warm presence we will miss. It broke our hearts to lose you, but you did not go alone, for part of us went with you the day God called you home.You left us beautiful memories. Your love is still our guide, and even though we can not see you, you are still by our side.Our family chain is broken, and nothing seems the same, but as God calls us home one by one, the chain will link together again. Until we meet again, smile that beautiful smile, spread those wings and fly, for you are a angle now.
