I worked for Tommy for a number of years. He taught me many things about the construction business. Most of all he became a close friend. We shared a lot of laughs as well. Just seeing his picture brings back fond memories. Although we have not seen each other for over 15 years we talked by phone several times. It was evident that he loved his family and our last couple of conversations included talk of his faith in Jesus Christ. I look forward to seeing him again.

Tom and I become friends almost immediately after meeting. He was very easy to get to know. I don't think he ever met a stranger. He will be missed by many. God Bless Tom and the family. Craig Goldin Cashtown Enterprises
