Alice was my friend for many, many years. I loved her dearly and she will be really missed. No matter what problem I had, or how bad I was feeling, she could always make me laugh or at least smile. Usually before I left her house or she left mine, I had forgot about my problem or whatever had been bothering me. She was a very loving and caring friend. Never too busy to listen and give her motherly advice. She was also fiercely loyal to her family. She loved all of them very deeply. May you rest in the arms of Jesus dear friend. I know I will see you again someday.

Alice was a great joy to know since we were 12 yrs . Friends. I listened to her problems as she listened to mine . We shared our life good times and bad . We had many laughs together. I told her many times I loved her as she told me . We were friends forever thur hard times and good . She loved her children and hurt when they hurt ! Alice was a very caring person and would do all she could to help you . Alice had many friends and all loved her . I know I will miss her terribly!
