Jeremy, I am sorry I did not realize you were in pain. You would think I would see it since we lived together for so long, but you kept to yourself. I hope you are at peace now with Sarah and Matthew. Just know that I will always love you and think about you everyday. Love, Sydney

My little brother, over the past few days I've been thinking about you and time we spent together in Las Vegas. I regret losing touch with you. I'll do my best to remember the way you lived and not the way you passed. Love you always.
