My deepest condolences go to the family. God never intended for humans to suffer. He soon promises in the near future to bring about a change. No longer will sickness, pain, or death be anymore. All ailments will be a thing off the past. We will also have the chance to welcome back all our lost loved ones again, right here on earth, under perfect conditions. May God continue to strengthen the family in the days to come.-Revelation 21:4, Acts 24:15, Isaiah 25:8.

To Deborah and family: My deepest sympathies in the loss of your father. I was honored to have had the opportunity to meet him and your mother when I made a trip to Atlanta to visit you and Jesse several years ago. I know your dad is very proud of you. God bless. Wayne Jensen
