“ I just wanted to give a testament of what a great person Alice was. Our birthday's were one day apart. She would send me a birthday card and I would call her the next day to wish her a "Happy Birthday". This past November Alice went to Texas to see about treatment. I believe she arrived back in Atlanta on Nov 12th. On Nov. 13th I received a call from her wishing me a Happy Birthday and get this she also apologized for not sending me a card. I assured her that I understood because of the circumstances. She then informed me that there was no excuse for not sending me a card. What a great lady...ALWAYS thinking of someone else! Randy, Rhonda, Renea and Rodney our thoughts and prayers are with you at this very sad time. We love you! Lance & Susan

“ Alice is such a wonderful person. I can still see her smiling, always smiling. The Foster family has meant so much to me in my growing up at Davis Chapel and beyond. I'll always love Mr. and Ms. Foster, Alice, Carlton, Don, and Shirley, and, of course, Mr. Randy! I can't be there today because I have cold/flu, but ya'll are in my prayers and will continue to be in my prayers. Love, Anita Womack

“ To the family, my heartfelt sympathy. We have lost a dear, genuine friend. I'll always remember that smile and those bright blue eyes. She loved her family and friends. I can only imagine Alice walking her final walk on the beach that she so loved so very much. Rest in peace my friend.

Sincerely,
Cathy Godwin

“ Alice & I grew up together and I have so many wonderful memories of fun times we had together. We lost a wonderful person but heaven gained an angel. I will always remember her beautiful smile and uplifting spirit - and on top of all that, she was sooooo smart!

My prayers are with Randy and the rest of the family. Alice will always live in our hearts and memories. It is so good to know that she is feeling fine now.

“ Randy we send our condolences and Alice will greatly be missed. I am so glad that we had the time that the Lord gave to us to fellowship with Alice. She is now walking and breathing in the presence of our Lord Jesus. Sorry we could not be there but I just had surgery on 2/14 and not able to sit for a long time.
Please let us know if there is anything that we can do for you and your family. You all are in our prayers daily.
Love to all,

“ Dear Randy and family:
Our hearts are very saddened by Alice's early home going. When I think of Alice, I remember her as the loving, caring friend who always had a smile on her face, regardless of circumstances.

And, even through her darkest days the Lord gave her strength to keep that smile and that will always be my favorite memory of her. Just think about what she is probably doing today in that new healthy, happy, perfect body in Heaven with your families and the Lord.

I always thought we would all grow old together just as we grew up together, but God must have really needed a special angel and she was the perfect one for the job.

Everyone knows that the days ahead will be very difficult at best but stay close to your family and especially to the Lord. Listen for her laughter and share the wonderful memories of her life with others.

Let your friends blanket you with comfort and love as we share together in the earthly loss of our beloved Alice.

Praise God for sending His Son to die for us so that one day we will all be joined together once again in Heaven!

Love and prayers,

“ Mr. Smallwood,

You don't know me but I work with Linda Fulmer, who has shared with me some of the events in your wife's life. She has been on my prayer list for quite some time, and Linda would update me. I am so very sorry for your loss. I hope that the happy memories you have shared with Alice, and the knowledge that you are cared for by so many people, will be a source of comfort for you in the days and weeks to come. You are in my prayers.

Sincerely,
Theresa

“ I had the privilege of working with Alice at Printpack. I will miss our many talks we had sharing everything from family to recipes. Alice always had a positive attitude and knew just what to say. But most of all, she had such a love for her Saviour, Jesus Christ. Her faith was unwavering and I pray that her legacy will live on.

Please know my prayers are with you.

“ We are so sorry to hear about Alice, but at the same time we celebrate her life and christian faith with the rest of the family. She was such an encouragement to my wife, Jacquie, one of the newest members of our family. Alice made her feel so welcome, and I'm so glad they were able to meet. Our prayers are with you all.
