

Carolyn E. Johnson

September 12, 2019

Carolyn E. Johnson, age 77, of Mableton passed away September 12, 2019. Carolyn was a member of Tanners Baptist Church in Ellenwood, and a former member of Mt. Harmony Baptist Church. She loved to crochet and make presents for Christmas, or just to show that she cared. Carolyn was known for her giving heart and always putting others before herself. Her giving spirit was exemplified by her work with the Challenger programs at Milford Little League Baseball Park. She worked with the Challengers for 12 years; during which no child was turned away and no parent paid out of pocket for the program. All the children were funded through sponsorships and generous donations from the community. During her time with the Challengers, she helped establish Challenger Night with the Braves and took the team to play the first game before the Southeast Little League Championships. Carolyn felt called by the Lord to work with this program and it was her pride and joy.

Carolyn is survived by her husband, Ronald Stephens; children, Tammy (Michael) Ross and Steven (Misty) Johnson; grandchildren, Mariah, Aliegha, Jordan, and Aaron.

Funeral services will be held on Monday, September 16th, 2:00 PM at Davis-Struempf Chapel with Ronald Stephens officiating. Interment will follow the service at Mt. Harmony Memorial Gardens. The family will receive friends before the service from 11:00 to 2:00 PM. Flowers are accepted, however, in lieu of flowers, memorials may be made to a children's home of your choice, the American Kidney Fund at www.kidneyfund.org, or St. Jude Children's Hospital at www.stjude.org.

After interment, the family would like to invite friends to join them in a time of fellowship at 780 Weybourne Court, Marietta, GA 30066. All are welcome.

“ I'm Carolyn's oldest grandchild. I'm so blessed to have her love and support for a long 23 yrs. she was at all my soccer games growing up, when my parents couldn't take me her and papa would take me, rent a hotel if it was far, and support me regardless the cost to them. One of her last full conversations was on August 27th. She made a stink that she WOULD be calling me to tell me happy birthday and no one would stop her. We had a fully coherent couple minutes long conversation. I could not have asked for a better birthday present. I'll hold our memories close always, but i know she's happy and healthy and she's probably already started an angel baseball league. Love you, grandma.
