“ What beautiful memories. I only knew Dave for a short while what a wonderful strong man. Terry and I met a Pville thru our mothers being there. I also shared her pain with Dave I lost my sister to the same tumor last year. I love you Terry and my thoughts and prayers are with you. Sorry I can't be there today Kitty

“ I unfortunately only met David once and this was through my relationship with his son Ken. I did get to know him a bit better through Ken's stories of the love and admiration he had for his father. Through these stories and looking at what type of a person Ken is, David must have been quite a guy! As they say, "The apple does not fall far from the tree".

My deepest condolences goes out to the Family!

“ So sorry to hear of this news this morning, as my friendship with Ken grew and I had the opportunity to meet his parents, I could see the clear influence of Dave. Such an unassuming, kind spirit -- my thoughts and prayers are with the Philipp family. Keith and Joni Pearce, Moraga, CA

“ Terry,

We loved being your neighbors on Foxhall Place. We are so saddened by this news. I can't imagine the emotional tempest this must be. Our family has prayed for you each night since the diagnosis, and we continue to pray for you to receive the comfort that only God can provide. We will all miss "Mr. Dave."

“ I worked with Dave the last 5 years of his career in IBM and I must admit he was the heart and soul of our department. Without his efforts the project we were working on would never have happened. He had the respect of everyone he worked with. Dave also had a good heart. If you needed help with anything, he was always willing to pitch in.

One thing for sure, there was always joy in his conversations about visiting the grandchildren.

My deepest condolences to you, your children and the grandchildren Terry. May he rest in peace.
