“ I just happened upon the Tribute Video for Elaine. We were co-workers 52 years ago but we lost touch. I remember her as a wonderful, energetic fun loving person and am thankful for the opportunity of having known her.

“ Stacy & Family: Aunt Elaine had such an amazing personality, contagious laugh and smile. She was always REAL and made everyone feel welcome. We will truly miss her but we will always carry her memory in our hearts! We know she is reunited with her family and they are all looking over us until we are all reunited together in Heaven. May God's grace and peace be with the entire family. Matthew 5:4 - Blessed are those who mourn, for they shall be comforted. With deepest sympathy & love,

“ Hard to believe she's gone, but I'm celebrating that she's "gone to Glory". She was a special lady who will live on in our hearts. We Golden Bears will need to make sure we honor her love of fellowship with the gang by getting together every opportunity we can. May God bless and keep her.

“ Dear Stacey, Angie and Tommy,

My prayers, my heart and my love goes out to you. Elaine and I go way back....back to a youthful time of girl friend memories that still live in my heart today. And as we aged, Elaine became a wonderfully talented woman with many friends who loved the theater, loved her family, loved people and loved life. She radiated energy and confidence wherever she went and in whatever she did. Any friend could count on her....always. When you were down, she would tell you not what you wanted to hear but what you needed to hear and was always a positive force to erase your fears and self doubt. Elaine was genuine...never attempting to be anyone that she wasn't. And once you had her as a friend, she was there for you...always...through childhood squabbles, teenage boyfriend breakups, lost basketball games, marriages, divorces and illnesses. I'm proud to have called her my friend and I shall miss her every day for the rest of my life. Our loss is Heaven's gain and Heaven is a much richer place with her there...probably with a drink in her hand, a story to tell and love in her heart. Love to all,

“ Dear Stacy, Angie and Tommy,
I send my love and my heart to you. My childhood and my youth are bound up in memories of time shared with my dear friend Elaine. She moved across the street just before we started fourth grade. What a joy it was to have her for a new pal! We shared our childhood, both fun and dreams, and those years have enriched my life. She was my FRIEND in the truest sense, and I am so thankful that we reconnected in these last years. I will so sorely miss her emails and our talks. She loved us all well. And we loved her back. May God grant you, her family, His peace that passes all understanding.
My Love,
