“ Dear Mom,  
You are truly the best mother and mother-in-law a person could ask for. You always thought of me as one of your daughters. You were one of my grandmothers dearest friends. I will miss you and the many many hours we spent laughing and talking.

“ Aunt Bea was an idol to me. I loved when her and her family visited us in Tennessee. I thought she was so pretty and so sweet. She was so loving and encouraging. She never missed a birthday without sending a birthday card. I always wondered how she remembered everybody's birthday, but it had to be a gift from the Lord. Aunt Bea was a very special person and she will truly be missed. Love you
