“ Dad, thank you for always being there for me. Always being my dad and my friend, always loving me , willing to listen and help if you could.Thanks for just being you. We tryed hard to keep you here longer , selfishly we didn't want to let you go, but God gently pulled you home. He knew you were tired and needed the care only he can give.

Not long though Dad , not long and we'll see you again. I love you and miss you daddy and I look forward to that day....
