BLAHUT, Julius "Everett"

Mr. Julius E Blahut, 77, passed away on Sunday, June 7, 2009 at his home in Hiram, GA. Mr. Blahut was born February 19, 1932 to Elizabeth and Wayne Blahut. He is survived by his wife of 26 years Vicki, his son and daughter-in-law Bruce and Debbie Blahut; daughter and son-in-law Rebecca and Ed Bell; and five grandchildren Stepanie Tysinger, Samantha Blahut, Tyler Bell, Mitchell Woods-Bell, and Alex Bell. He is also survived by three brothers and their spouses: Charles and Glenda, Warren and Kathleen, and Myron and Beverly Blahut. Everett was a graduate of Washington University and was an architect for more than 50 years. The last 15 were spent in business for himself. He loved his work and never considered retiring. He moved to Atlanta from St. Louis Mo in 1961 to escape the cold and snow, and enjoyed the warmer climate Georgia had to offer. Mr. Blahut had battled colon cancer for 12 long years, but always had a great attitude and loved vacationing at the beach every year with his grandchildren and traveling around in his RV. He was surrounded by many friends and loved ones during his last days and will be missed by all who loved him dearly.

“ I had the pleasure of working off and on with Everett for the past few years. Even with everything he was going thru, he always had a great attitude and such a fun spirit, he always made me laugh.

Vicki, I know you and your family as well as Everett's many friends will miss him terribly. Scott and I send you our deepest sympathy.

“ It was my honor to have know Mr. Blahut for these past 8 or so years. He was a feisty patient and I loved to see him come in the door. He was in charge of his life and lived.

He talked of his family with fierce love. My heart and prayers are with them now.

"P Paw" you will be missed!

“ Please accept my deepest sympathies. Death is a horrible thing to go through, yet we have a hope from the Bible of a resurrection hope. Our loved ones who have died will be brought back to life with the same personality as Acts 24:15 states. We will all live forever on earth. I hope this thought brings you comfort and hope during this time. Please accept my deepest sympathies.
