“ I just learned of Ms. Lois's passing and want to pass along my condolences to her family. Though I never had the pleasure of working with her at BT, she was so sweet, kind and easy to talk to, everyone knew her. And she was the only person that I ever addressed with a title, i.e. she was always Ms. Lois to me. Someone asked me once, "Why do you call her Ms. Lois?". I didn't really have an answer other than there was just something about her demeanor and the way she dressed and carried herself that I couldn't call her anything but Ms. Lois. She was so dignified. I enjoyed reading all the wonderful tributes others have written about her and of course looking at the pictures of her and your beautiful family.

I have no doubt God has gained another angel. Rest in Peace Ms. Lois.

“ When my wife was expecting our youngest daughter and was having so many problems with the pregnancy nearly 18 years ago, Lois and her friend were very supportive and purchased a teddy bear from the Make a Wish foundation and gave it to me for my daughter. My daughter Marybeth still holds "whishy" in very high regard and often takes him with her on trips when additional comfort is needed.

Lois was indeed a very kind and caring woman who touched all she met in a very possitive way. She will be sorely missed. I know that our Heavenly Father has a speacial place reserved for her.

Sincerely,

Scott and Mignon Coley and family

“ I also worked for Lois at MCI in provisioning in 1991, after Southernnet was purchased by MCI. She was a delightful Christian women, with much love for God, her family, and even her employees and co-workers. She was always smiling and pleasant and always noticed the positive in each person. She was truly a one of a kind woman, who left an amazing legacy. I am praying for W.L. and her sons, daughter in-laws, and grandchildren, and pray that the great memories of a phenomenal woman will prevail in this very difficult time. While we mourn the loss of a wife, mother, grandmother, and friend, God is celebrating an angel's arrival in heaven. And I thank God that he blessed me with Lois as a role model and supervisor and friend.

“ This message comes from One of Lois's Southernnet/MCI family members. We just found out about her passing today and are all in shock. Lois was always the sweetest most kind persons you could know and work with. When you are in such a small environment like our Provisioning group, you all become like one big family, and I'd like to think that made us all closer.

Lois loved her family- there was never a doubt with that. She loved her some W.L. When he got ill with heart issues, she had us all on our knees praying for his safe recovery and improved health. We were around when Derrick and Shannon got married, had the two grand's and even when Curt got married- We all lived through each others experiences and looked forward to hearing adventures over the weekend upon our arrival at work on Mondays.

When provisioning was deployed to Sacramento, Dallas, Maryland , and in Lois's case her new venture with BT in 1996, we still pretty much kept in touch. Lois was instrumental in setting up prayer circles when my daughter Kelli was diagnosed with a rare condition in 1992. She always asked about Kelli, and kept her in prayer- she was very compassionate.

The last time she and I spoke, she shared with me a battle she was having with an old enemy. She seemed to be winning- and apparently won a very long time. I lost touch with her over the last 3 years- and so it comes as a horrible Shock to find that our dear friend is no longer with us. Please know Edison family that we share in your grief- Our thoughts and prayers are with you- God Bless and Keep you all, and know that you are in our hearts.

“ W. L. & family, Don & I want you to know that you are in our thoughts and prayers. Lois always made us feel welcome in your home when we were a part of the small group at Vinings Lake. She and W.L. were an wonderful example of a truly devoted couple whose basis for their lives is their belief in Christ and leaning on each other through life. I wish there was a magic word to say to make your heartache go away but the love of your family, your friends, church family and your deep faith in Christ will give you comfort. We know we will see Lois rejoicing in Heaven one day. W. L. take care of yourself and try to get some rest. Love you, Don & K Anderson

“ We are so very sad to hear about Mrs. Eidson. Please know we are thinking about you and praying for you all. Although we have not seen her in many years, we have vivid and fond memories of her and the entire Eidson family. She was loved and cherished and we are extremely lucky to have had her and Mr. Eidson in our lives. I remember her smile and welcoming nature dating back to the 1980's. Although she will be dearly missed, she will NEVER be forgotten.

“ I want to express my sincere sympathy for the loss of your loved one and I hope the following suggestions help the family members and those who loved Lois Brown Eidson to lessen their grief.

Talk about your feelings to “a true companion” who will listen patiently and sympathetically.

If you have feelings of guilt thinking that some neglect on your part contributed to your loved one’s death, realize though, that no matter how much we love another person, we cannot prevent “time and unforeseen occurrence from befalling those we love. (Ecclesiastes 9:11)

More than anything else, a relationship with God can help you to cope with the death of someone you love. Isaiah 33:24 promises the time when an end to sickness will become a reality. God will put an end to pain, suffering and even DEATH. God promises at Isaiah 25:8 that death will be swallowed up forever.
