“ My sincere condolence to the Hook family. Being without Marcie is very painful. She was the pillar of strength for the entire family and ones in her community. May God be with each and everyone of you at this very difficult time.

I sincerely hope Marcie's favorite scripture cause us all to do as she would have done if it was anyone of us. "Rejoice in the hope. Endure under tribulation. Persevere in prayer." (Romans 12:12) Now is the special time to do so.

“ Knowing Marcie was a breath of fresh air. I first met her by hearing her voice on the telephone as part of Star Achievers Team. Her voice was so sweet and soothing. She just sounded like someone very special. Then I had an opportunity to come to Atlanta and was able to spend an afternoon with Marcie and Ed and we enjoyed a meal and she showed me how she does business. I will never forget the afternoon I was able to spend with her. I am going to miss you Marcie but I know right now you are with God, the One who loves you the most and created you. While we are sad missing you, you are having a great time in the arms of Jesus and getting to know Him more.

We will never forget what a wonderful person you are. You just couldn't hold back, you needed to share your spirit with the rest of the world. Thank you Marcie, for being so kind to me. “ When I think of Marcie , I cannot help but think of her warm, loving compassionate soul. We have all been blessed to have experienced Marcie's living presence, for we know that she has now fulfilled her existence here on earth. Marcie's grace and gentle nature continues to endure, and we are all richer because of her essence!

“ So sorry to learn of Marcelle's death. She and I were classmates at South Cobb High School, class of 1958. I remember she was an excellent student and always seemed to be smiling and happy.
A few years after her marriage to Ed, they moved to the Murdoch/Hembree/Everett "compound" on Wade Road. Somewhere during that time, Marcelle use to be my

mother's hairdresser. I remember how much my parents enjoyed having all of them as neighbors.

May God's love sustain the family during these difficult days. You will be in my thoughts and prayers.

I feel privileged and honored to have known her and to have worked with her in the Shaklee Star Achievers Team as a valuable Core Group Team partner. You will always have a special place in my heart. You will be missed but not forgotten. Marcie was a shining star.

“ Marcie was the sweetest person I knew. She and I worked together many years at Rich's. She was always willing to help me when I needed it, and I needed it a lot. She and I kept in touch by email and shared many happy moments. Her loss is great and I will never forget her.

I love you, Marcie.

“ Marcie remains one of my all-time favorite teachers, and I'm sure I couldn't count the number of prayers she has offered up for me over the years. When I was growing up, she had more faith in me than I did, and I know so many others would agree that her heart of gold and heart of faith will be missed. My life is better because of the influence of people like her. -Daryl Gramling

“ We are so sorry to hear of your loss of Marcie. Years ago when you were living in Boone and Ed was manager of SuperX Drugs, we were welcomed into your life with open arms on our arrival in Boone as Guy began his first job as pharmacist. Marcie became a great friend of mine and we have memories of fun times with both of you. We will keep you and the family in our prayers.
