“ Mother,
I want to tell you that the older I get the more I miss you.

I do not fear death any more as I will be near you and I will finally come to know the underlying love that you had for me unconditionally. There is so much I want to tell you. I always wanted to please you and when we come into this paradise we will understand so much more as everything in our lives that have happened will be clearly understood. I want to be with you, Daddy and of course Carole & Tommy.

I miss Mymy and Granddaddy, Betty, & GW that I never knew. I will know soon. as I have have know fear. Then we will know and encompass love on a grandeur scale. It will be mind & spirit at last coming and enjoying all of the things that he has promised us. I love you Mother with a deeper, purer, understanding than I have ever had. I came from you and Daddy and God breathed the first breathe into my body. More importantly he gave me a soul and it will be so wonderful to recall and understand our lives together and how blessed it will Be.

I want you to brush my hair. No one else has ever done that for me. I love your precious fingers that made clothes and cooked my food and made my prayers seem real, and Daddy did come home again. We will gather at the River and in the Garden.

Oh Mother, I want to be with you and have you hold me as Mary held Jesus.

I love you and Daddy so much and so many others. Just please brush my hair as I lay my head in your lap.

I love you and I long to be with you.

“ Thank you Nanny for all the great memories we shared. You always had a smile on your face no matter what the circumstances. You brought happiness to every room you were in. (Almost like the Sunshine). You are an amazing person and I love you more than you will ever know. We will be together again in eternity. I love you.

“ Nanny, thank you for all the wonderful memories. Thank you for the love you shared! I miss you, but I know that at this very moment, you're dancing and singing at the feet of my Jesus. I have comfort in knowing that one day soon, I will see you again, and we can spend an eternity worshipping Him together! I love you Nanny! You are my sunshine!

“ My Dearest Mother,

Thank you for teaching me the prayer, "Now I lay me down to sleep." Also, the song, "Jesus loves Me." You had a love for all of us, that will last until the day that we return to you, the vessel, that God provided for our births.

We rejoice in your peace that you provide for us now, and the joy that is to come, that is unspeakable.

I love you,

Judy

“ What wonderful love that you had for us all. Like Karen said: "GOD is excited about you coming to be with HIM". That last smile verified that you were excited and happy too. We all were blessed to have you.
