“ Hal and Kim I'm so sorry to hear of your sweet Mother's passing. I will always remember her smile and her expressions of joy she had when she spoke of her family. I first connection was through my Aunt Eudora Couch that worked with her at Chattahoochee Brick Company years ago. She was such a sweet lady when I would visit with my Aunt at work. Please know that when I hear her name I will always cherish her smile that she always had. My prayers are with you and your family during this time...May God bless you both.

“ What a wonderful Aunt! She was so good to George and his siblings when they were growing up. She and I shared many laughs and even some tears as we often talked with each other when we worked at Cobb hospital. She loved people, never met a stranger and brought joy, laughter, hope, and encouragement to many people while working at Cobb. So thankful for her life and that she is now resting in peace with all her family that's gone before her.
