“ Paulette will be missed greatly. Her dedication to the youth of Cobb County over 15 years making sure that all children was treated fairly in the sports that were in. No child was ever turned away, even the one's with special needs. This was done before there was even a special needs program in Cobb County and she faced all odds of many to see that these children had the same opportunity all others had. All that can be said for now is; "A job well done."

“ Paulette will be sadly missed. I wish I had spent more time with her. She was a very sweet person and was loved by everyone. A dear sister who was taken much too early. I hope the family is doing well, keep in touch. Love to all.
